

Lot 42

Tavistock x Rocknrolla b. c.

Breeze Up: 11.17 | Weight: 443kgs | Height: 15.2hh

He was broken in by John Malcolm in late July, though Curraghmore had done a lot of preparatory work prior to his departure. He basically went straight to the breeze ups on one preparation with the exception of a six day break.

John was always complimentary of him and said he was a straight forward horse. We have always found him good in the mind, has good sound limbs and is very athletic. He moves very well. He is by a top sire.

The dam had a lot of ability and the dam sire (Towkay) was the leading sire in Hong Kong at one stage and had the ability to leave a very good horse.

It is also the family of family of VRC Derby winner Rebel Raider, Champion Hong Kong miler Able One and Golden Slipper winner Moss Fun.
