THE LEGENDARY

PHAR LAP

One of the most famous National Yearling Sale graduates, **Phar Lap** started life on the Timaru stud farm of breeder Alexander Roberts on 4 October 1926. His breeder had imported the sire, Night Raid, from Australia and acquired the mare Entreaty at a Geraldine race meeting for £60 after an unplaced run.

Roberts sent the big, ungainly, chestnut colt to the 1928 National Yearling Sale at Trentham. His journey to the Sale started out from Seadown in a cattle truck covered with a tarpaulin to the South Island port of Lyttleton. From here they were ferried across the Cook Strait to Wellington, then taken by rail to the sales complex at Trentham.

As a yearling, Phar Lap was not the best walker and was inclined to trip. Mr Harry Toose, of the Stud Stock Department of Wright, Stephenson & Co Ltd recorded that the two well-known Wellington racing men, Vivian Riddiford and his trainer Sid Reid, were interested in Phar Lap's pedigree but when they saw the big, clumsy, gangling chestnut from Canterbury, their interest vanished. "He was such a bad walker, that the vendor borrowed the groom from Elderslie Stud to take him into the ring. The Elderslie man was very tall and they got him to hold Phar Lap's head up high so he would step shorter and not show up so badly," Toose recalled.

It didn't entice the Wellington interests, but battling ex-Kiwi Sydney-based trainer Harry Telford saw something they did not. Telford had personal knowledge of the female side of Phar Lap's pedigree and was convinced that the double up of Musket in his bloodlines warranted his brother Henry to inspect the colt. Harry Telford's owner and backer, American David J. Davis, who had a china and cutlery importing business and a photography business, agreed to bankroll the purchase and one of the greatest horses ever bred was knocked down for 160gns.

Phar Lap arrived in Sydney, wart-covered and in poor condition after a rough crossing of the Tasman and David Davis declined to be involved. Telford, unfazed, arranged to lease the horse from Davis for three years.

His early races at two were remarkably unpromising, but after four starts he eventually won at Rosehill. Another three starts at three were not encouraging, but after two blacktype placings he reeled off four wins in succession: the STC Rosehill Guineas, AJC Derby, AJC Craven Plate and VRC Derby, ending the spring with a third in the 1929 VRC Melbourne Cup behind Nightmare. The rampage continued in the autumn with a further nine wins.

His 4YO career was equally sublime, with a sequence of 14 wins including the MVRC WS Cox Plate, the VRC Melbourne Stakes, despite a failed shooting attempt, and a dominant win in the 1930 Melbourne Cup carrying 9st12lb (62.5kg).

As a spring 5YO, Phar Lap continued to dominate under the joint ownership of Davis and Telford. Phar Lap recorded another eight wins in succession with his final Australian start in the 1931 Melbourne Cup lumbered with 10st 10lbs (68kg), finishing a gallant eighth. Against Telford's wishes, Davis sent Phar Lap to Mexico for the rich Agua Caliente Stakes, which he won. Tragedy struck sixteen days later when Phar Lap did not survive a serious bout of colic and died in strapper Tommy Woodcock's arms. In a comparative flash of lightning, the life of Phar Lap, whose exploits had thrilled two countries in the gloom of the Great Depression, was over.

CELEBRATE WITH US

Karaka 2026 will mark the 100th National Yearling Sale in New Zealand.

A century of thoroughbred excellence has shaped the National Yearling Sale, from guineas to dollars, Trentham to Karaka and Wrightson's to NZB.

It is the beating heart of trade within the New Zealand breeding and racing industry, where breeder meets buyer, where years of careful planning and preparation meets astute judgement and ambition. It is where winning begins.

From this centenary of sales ring moments have emerged many legends of the racetrack, among them the titans Phar Lap, Rising Fast, Tulloch, Dulcify, Octagonal and So You Think.

We hope to see you at Karaka this January to celebrate the rich tapestry of New Zealand's unique auction sales history. In the meantime, relive some of the wonderful memories and moments at 100years.nzb.co.nz or browse our merchandise at shop.nzb.co.nz to secure your own keepsake of this historic milestone.

KARAKA 2025 SALE HIGHLIGHTS

After an action-packed five days of trading at Karaka 2025, results from the Book 1 and Book 2 yearling sessions saw 751 yearlings sold for an aggregate of \$86,321,500. The clearance rate surged to an impressive 80% for both sessions combined. The combined average was \$114,942, while the median settled at a solid \$80,000.

While international spend accounted for 54.5% of the turnover, it was the domestic buying bench that really stepped up, with Kiwis outlaying \$39,242,500 across 435 lots.

The highlight of the week was the \$2,400,000 purchase by Guy Mulcaster and Chris Waller (Lot 345) on behalf of New Zealand owner Glenn Ritchie. The Savabeel filly out of Symphonic (NZ) was purchased from Haunui Farm's draft and is the highest priced filly to be sold at Karaka.

The second highest-priced lot came on the final day of Book 1 when Kingsclere Stable trainers Roger James and Robert Wellwood went to \$1,100,000 to secure Lot 564, a Proisir filly out of Donna Marie (NZ) from Hallmark Stud.

The leading buyer was David Ellis who purchased 27 lots for \$4,757,500, while the leading vendor by aggregate was Haunui Farm, selling 37 for \$7,343,000.
